About Us

Providence Administrative Services is a Third Party Administrator providing administration services to both retrospective and prospective BPCI models

Experience

In 2009, Providence was selected as the TPA for 2 of the 5 participants in the ACE (Acute Care Episode) pilot. Baptist Health System, now part of Tenet Healthcare, was the largest participant in ACE with 5 Hospitals participating in both total joint replacement and cardiac DRG's. We also provided administration for Exempla Healthcare, now Sisters of Charity of Leavenworth.

In 2013, with the introduction of BPCI, Providence was again selected as the TPA of choice by many of the BPCI participants.

Services

- Prospective fee for service claims payments to medical professionals and ancillary service providers
- Critical data integration and data analytics
- Capture and reporting of critical quality metrics
- Reconciliation analysis and reporting
- Program performance metrics including cost analysis, performance within each DRG, and physician dashboards
- Physician communication and engagement support
- Gainshare calculation, statements and disbursement of gainshare

Commitment

Providence is committed to assisting in the development and delivery of new innovative solutions to support you as you move forward into a value based reimbursement model.
