- Compliance Initiative
- HIPAA Operations Team

HIPAA

HIPAA Is the BLUEPRINT for moving your organization to an e-health environment.

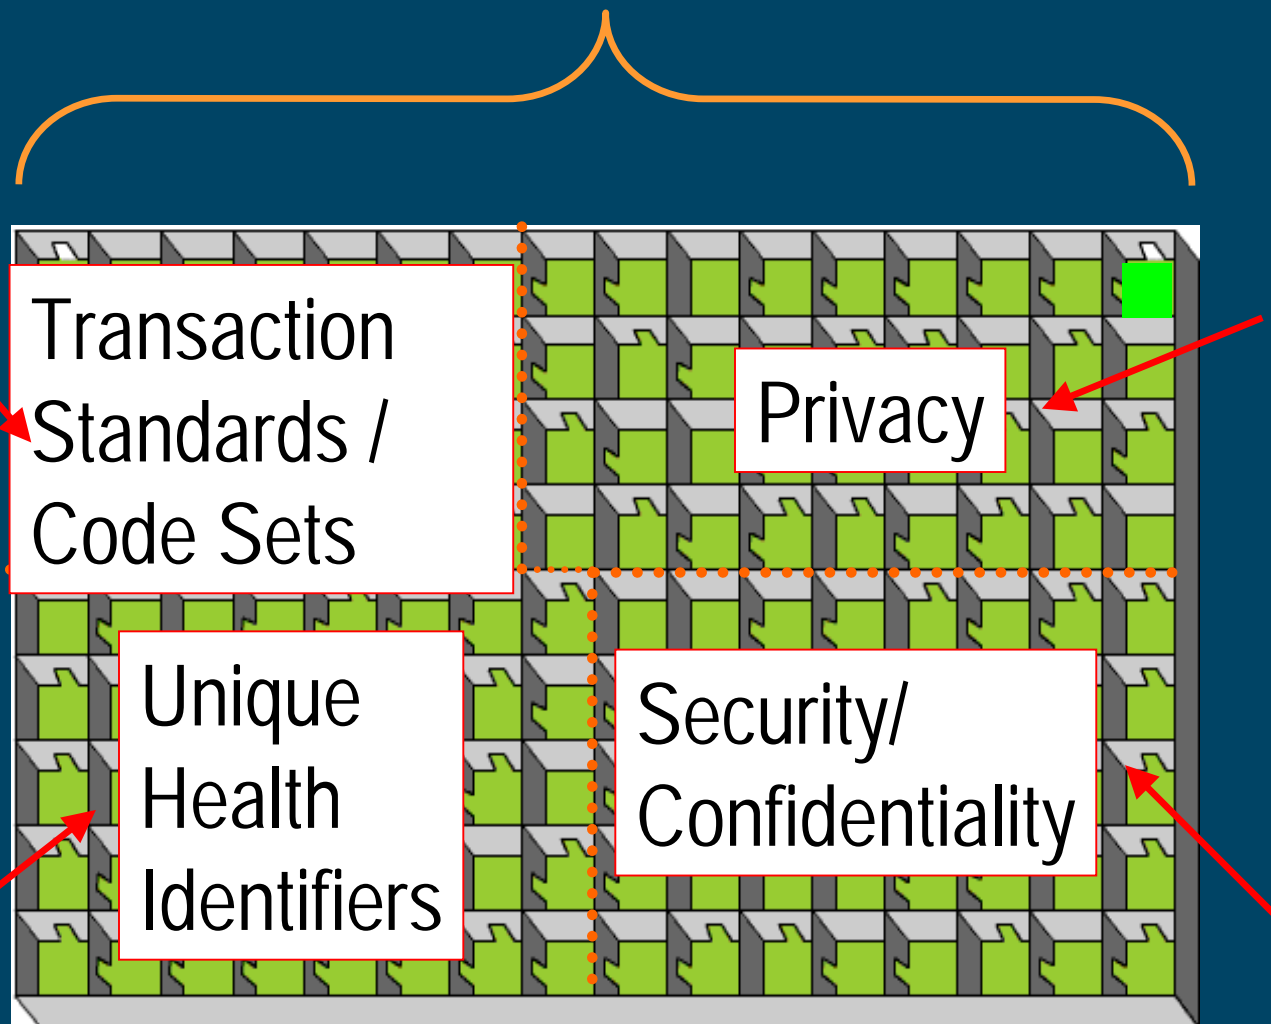

HIPAA Goals

e-health Goals

- Improve *efficiency & effectiveness* of healthcare through *standardization* of all shared electronic information
- Protect the *privacy* and *security* of patient information stored and exchanged electronically
- *Reduce* the *cost* of *exchanging* information among healthcare partners

HIPAA MAZE

IDX HIPAA ROADMAP
