Illinois Hospital Association (IHA)

“The HIPAA Academy’s methodology is an excellent framework to consider as member hospitals launch HIPAA security initiatives and activities. We are working closely with the HIPAA Academy to help members address HIPAA Security Rule requirements such as risk analysis, security policies and training.”

Brian Foster, President

American Hospital Association (AHA)

“AHA Solutions, Inc., the endorsement facility of The American Hospital Association (AHA) has awarded the AHA endorsement to HIPAA Academy as a resource for training to help hospitals comply with the Health Insurance Portability and Accountability Act (HIPAA) regulations.”

“After its assessment of the marketplace, the AHA selected the HIPAA Academy because of its subject-matter expertise in healthcare, the technical excellence and depth of its HIPAA training programs, and its strong track record in serving the healthcare marketplace.”

AHA Press Release
