Compliance***

The Eighteenth National HIPAA Summit

February 5, 2010

***Judi Hofman CAP, CHP, CHSS
Cascade Healthcare Community – Bend Oregon***

- Center for Medicare & Medicaid Service Office of E-health Standards and Services Analysis
 - Access Management
 - Access Control
 - Security Awareness and Training
 - Device and Media Control

○ Noted struggles

- Risk Assessment
- Policy and Procedures currency
- Training
- Workforce Clearance
- Encryption
- Workstation Security

- Incident Response and Breach Investigations
 - Do your due diligence with each and every breach
 - Especially with the new HITECH “harm threshold” provision
 - Documentation of incident events and risk residue
 - EMS
