

### **Resume of Alan S. Goldberg, JD, LLM**

**Alan S. Goldberg**, of the Boston law firm Goulston & Storrs, is a member of the Massachusetts and Florida bars and concentrates in the practice of business law including the business of healthcare delivery and information technology.

Mr. Goldberg's introduction to health law occurred in the 1960s, during the dawning of the Medicare and Medicaid programs era as a judge advocate and prosecuting attorney in the United States Navy, and Mr. Goldberg was also involved in issues of legal medicine at the San Diego Naval Hospital and elsewhere. Mr. Goldberg joined Goulston & Storrs in 1967 upon graduation from Boston College Law School, where he was a member of the Law Review and received an academic scholarship, and as a Lecturer in Law presented a course in land finance. In 1978 Mr. Goldberg received an LL.M. in Taxation from Boston University School of Law, and Mr. Goldberg is an Adjunct Professor of Law at Boston's Suffolk University Law School presenting a course in eHealthcare, Privacy and Technology. Mr. Goldberg is a Past President of the National Health Lawyers Association and served on its Board of Directors from 1981 to 1993, and he is the President of the Massachusetts Health Lawyers Association. Mr. Goldberg received the National Health Lawyers Association David J. Greenburg Service Award in 1996.

Mr. Goldberg has published extensively on a broad range of health law and other legal issues and is a frequently lecturer for the American Health Lawyers Association, the American and Massachusetts Bar Associations, the Massachusetts Hospital Association, the Massachusetts Long Term Care Foundation, the American Telemedicine Association and other associations and organizations, and he cochairs the Education Committee of the New England HIPAA Workgroup.

Mr. Goldberg was the moderator of the Health Law Forum computer on-line feature of CounselConnect; he is the Editor of a law and computer technology column entitled "The Computer Wizard" published by the American Bar Association's Business Law Section magazine "Business Law Today"; and he is the moderator of the American Health Lawyers Association Health Information and Technology Internet listserv. Mr. Goldberg has presented loss prevention seminars relating to technology issues to the membership of Attorneys' Liability Assurance Society. Among Mr. Goldberg's current interests is the application of technology to the practice of law and medicine and to the delivery of health care, including issues involving the Internet, security and encryption, privacy and confidentiality, software licensing and devices, corporate compliance programs, health and technology crimes, and telemedicine. Mr. Goldberg has served as Vice Chair of the American Health Lawyers Association Health Information and Technology Committee; he is the Chair of the ABA Health Law Section e-Health & Privacy Interest Group; and he cochairs The National HIPAA Summit series of events and participates in many others regarding HIPAA.

Mr. Goldberg co-authored Telemedicine: Emerging Legal Issues, and the Long Term Care Antifraud and Abuse Compliance Manual published by the American Health Lawyers Association. On the Internet, Mr. Goldberg's World Wide Web home page <http://www.healthlawyer.com> is dedicated to providing information regarding "Law, Technology and Change" and [agoldberg@healthlawyer.com](mailto:agoldberg@healthlawyer.com) is his e-mail address. In addition, Mr. Goldberg maintains the HIPAA HERO (sm) site, <http://www.hipaahero.com> (sm).
