Certification of Transactions and Code Sets

Mark McLaughlin
Regulatory Policy Analyst
McKesson

Options for Compliance Testing

- For the “do-it-yourselfer”
- Translators and add-ons
- Third party testing and/or certification

Certifying the Certifier

- Who certifies the certifier?
- The industry driver
- Third party accreditation organizations

Data Gaps and Vendor Expectations

- What gaps?
- Using clearinghouses
- Vendor software solutions
- Working together for success
