The Conference Vetting System

Objective

CVS reviews the compliance of third-party educational events with the MedTech Code of Ethical Business to determine the appropriateness for member companies financially support the event via: individual sponsorship of European Healthcare Professionals to participate in such events, educational grants to the event organisers, commercial activities during the event.

Unique

Decisions are **binding** on MedTech Europe members.
No MedTech members can provide financial support to an event that hasn't been prior assessed by CVS.

Independent

The system operates independently under the supervision of a three-member Compliance Panel.
