(1) Clinical quality data were provided by the following plans: Aetna, Blue Cross, Blue Shield, CIGNA, Health Net, Pacificare, and, if applicable by the medical group.											
(2) Clinical measure rates based on denominators less than 30 are not shown or used in summary statistics because they are not statistically reliable.											
(3) Data for the clinical quality summary statistics were provided by participating medical groups and the following plans: Aetna, Blue Cross, Blue Shield, CIGNA, Health Net, PacifiCare, Western Health Advantage.											
(4) Lower rates indicate better performance for this measure.
