## A Humbling Way to Begin...

---

“We don’t know one tenth of one percent about anything.”

- *Albert Einstein*

## And a Note of Urgency...

---

“History is a race between education and catastrophe.”

- *H.G. Wells*

# Today's Educational Agenda

---

- Quick review of the health care environment and emerging and converging forces driving IT adoption
- Should we care about improved clinical information management anyway?
- Do economic incentives change receptivity to IT adoption and effective use?
- So what? What next?
- Your turn
