

Governance and Systems for Drug Safety at Pharmaceutical Companies

**Michael Swiatocha
SPRI Compliance Officer
Schering-Plough Corporation**

**The International Pharmaceutical Compliance Summit
Philadelphia, PA
March 31, 2004**

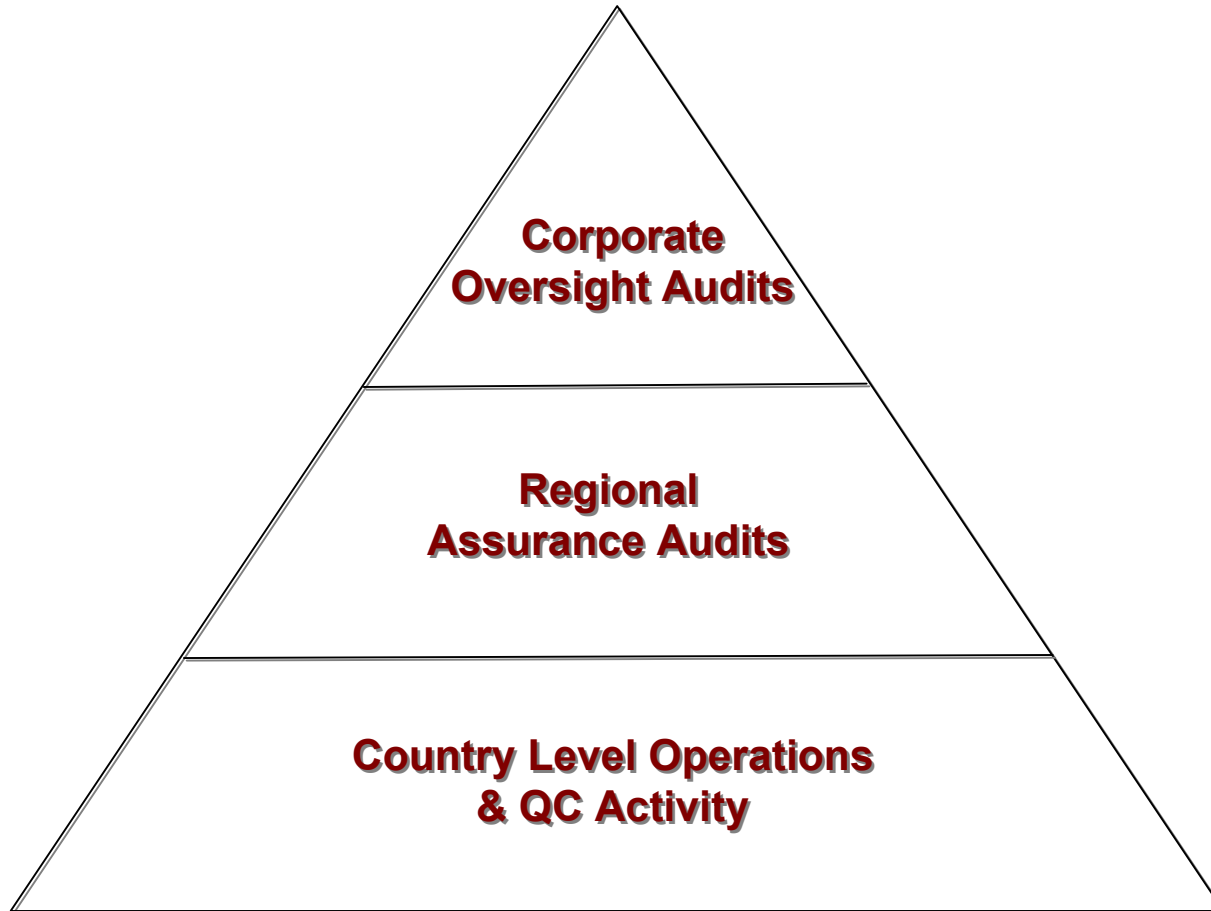

Governance and Systems for Drug Safety

1. Pharmacovigilance Oversight
2. Global QA Model
3. Rapid Response to New Requirements

Pharmacovigilance Oversight

- PV is a critical function
- Global PV organization at S-P
 - chartered to address investigational and marketed products
- PV Oversight Committee
 - multifunctional membership
 - sets strategic direction for PV at S-P

Global QA Model

Rapid Response to New Requirements
