

health information to our business associate so that they can perform the job we've asked them to do and bill you or your third-party payer for services rendered. To protect your health information, however, we require the business associate to appropriately safeguard your information.

Directory: Unless you notify us that you object, we will use your name, location in the facility, general condition, and religious affiliation for directory purposes. This information may be provided to members of the clergy and, except for religious affiliation, to other people who ask for you by name.

Notification: We may use or disclose information to, notify or assist in notifying a family member, personal representative, or another person responsible for your care, your location, and general condition.

Communication with family: Health professionals, using their best judgement, may disclose to a family member, other relative, close personal friend or any other person you identify, health information relevant to that person's involvement in your care or payment related to your care.

Research: We may disclose information to researchers when their research has been approved by an institutional review board that has reviewed the research proposal and established protocols to ensure the privacy of your health information.

Funeral directors: We may disclose health information to funeral directors consistent with applicable law to carry out their duties.

Organ procurement organizations: Consistent with applicable law, we may disclose health information to organ procurement organizations or other entities engaged in the procurement, banking, or transplantation of organs for the purpose of tissue donation and transplant.

Marketing: We may contact you to provide appointment reminders or information about treatment alternatives or other health-related benefits and services that may be of interest to you.

Fund raising: We may contact you as part of a fund-raising effort.

Food and Drug Administration (FDA): We may disclose to the FDA health information relative to adverse events with respect to food, supplements, product and product defects, or post marketing surveillance information to enable product recalls, repairs, or replacement.

Workers compensation: We may disclose health information to the extent authorized by and to the extent necessary to comply with laws relating to workers compensation or other similar programs established by law.

Public health: As required by law, we may disclose your health information to public health or legal authorities charged with preventing or controlling disease, injury, or disability.

Correctional institution: Should you be an inmate of a correctional institution, we may disclose to the institution or agents thereof health information necessary for your health and the health and safety of other individuals.

Law enforcement: We may disclose health information for law enforcement purposes as required by law or in response to a valid subpoena.

Federal law makes provision for your health information

to be released to an appropriate health oversight agency, public health authority or attorney, provided that a work force member or business associate believes in good faith that we have engaged in unlawful conduct or have otherwise violated professional or clinical standards and are potentially endangering one or more patients, workers or the public.

Effective Date: April 1, 2003
