

Accountable Care Collaborative

Colorado Department of Health Care Policy
and Financing

Healthcare Reform

Accountable Care Organizations (ACOs)

- National Health Reform

Accountable Care Collaborative (ACC)

- Colorado's delivery system reform
 - Governor's Agenda
 - Stakeholder input
 - Budget Action
- Developed prior to federal ACO concept

Development of the Accountable Care Collaborative Program

Created in response to:

- Failed attempts at capitated Managed Care in the state.
- 85% in an unmanaged Fee-For-Service (FFS) system
- Unprecedented economic situation, highest caseload and expenditures in the state's history of Medicaid
- Desire not to continue to pay for higher volume/ utilization

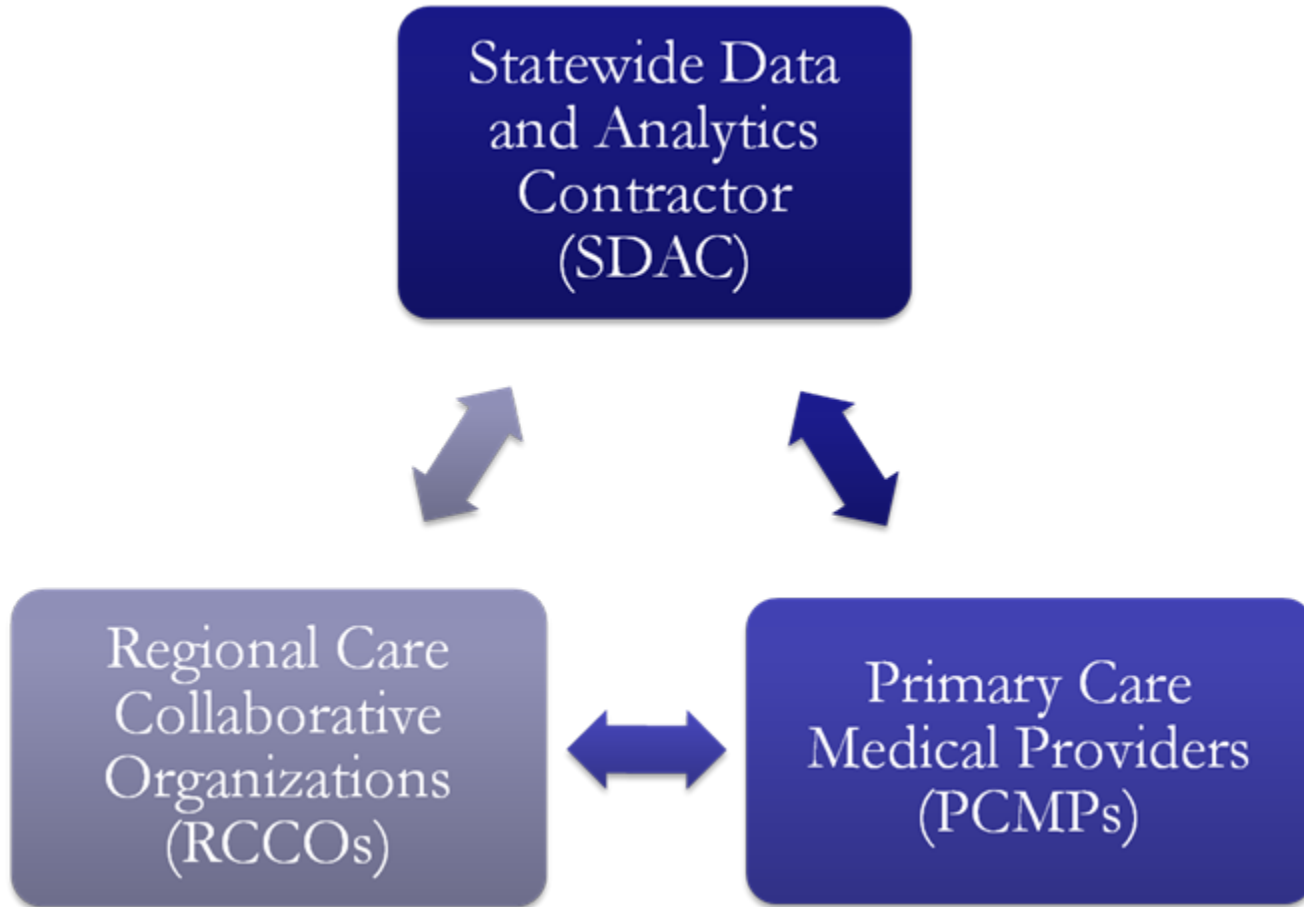

Program Vision

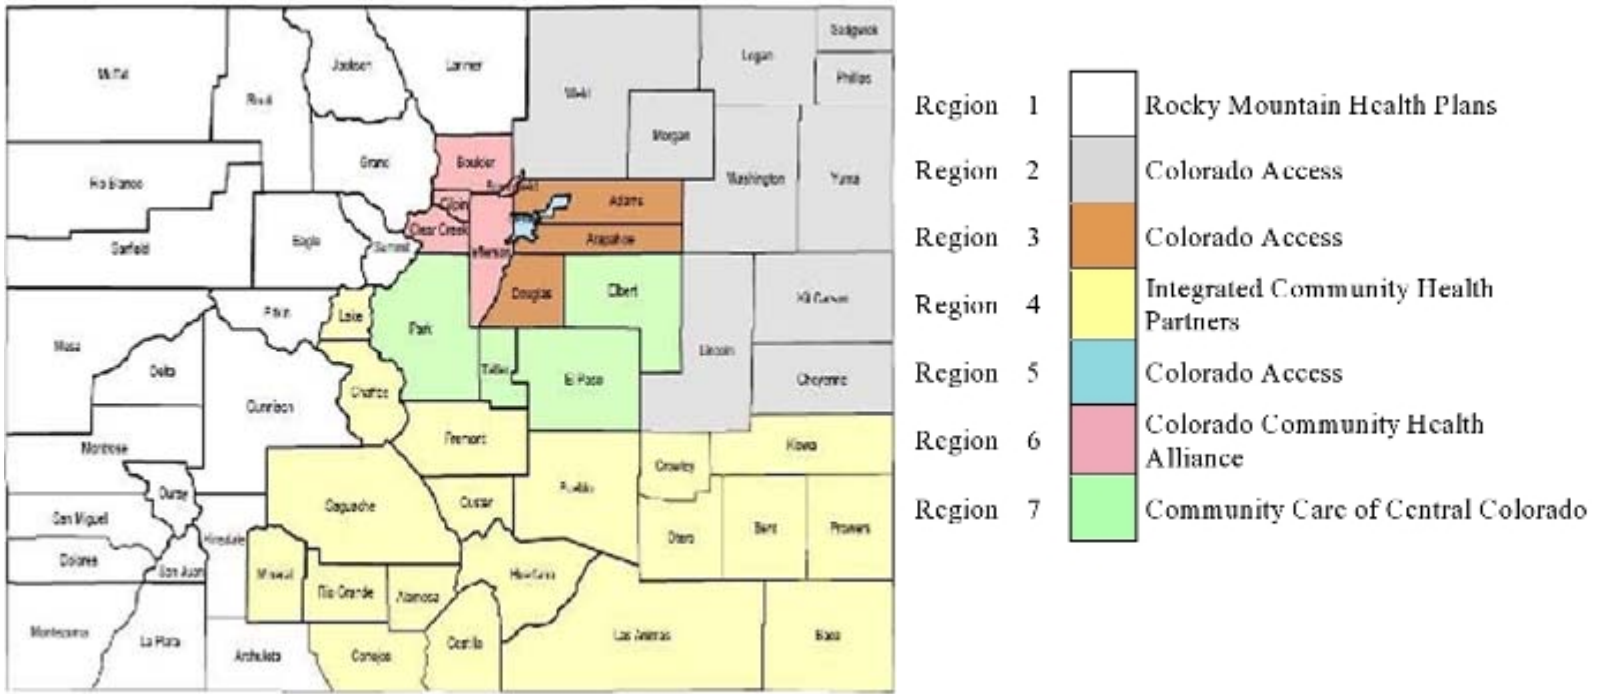

- No change to current Medicaid Benefit Package.
- Delivery System Reform
 - Improve health outcomes
 - Reduce costs
 - Improve the client and provider experience
 - Focal point of care for all clients
 - Introduce unprecedented data and analytics

ACC Program Components

RCCO Map

RCCO Responsibilities

- Achieve financial and health outcomes
- Ensure comprehensive care coordination and a Medical Home level of care for every Member through:
 - Network Development/Management
 - Provider Support
 - Medical Management and Care Coordination
 - Accountability/Reporting

PCMP Responsibilities

- PCMP serves as a Medical Home
 - Member/family centered
 - Whole person oriented
 - Coordinated
 - Promotes client self-management
 - Care provided in a culturally sensitive and linguistically sensitive manner
 - Accessible

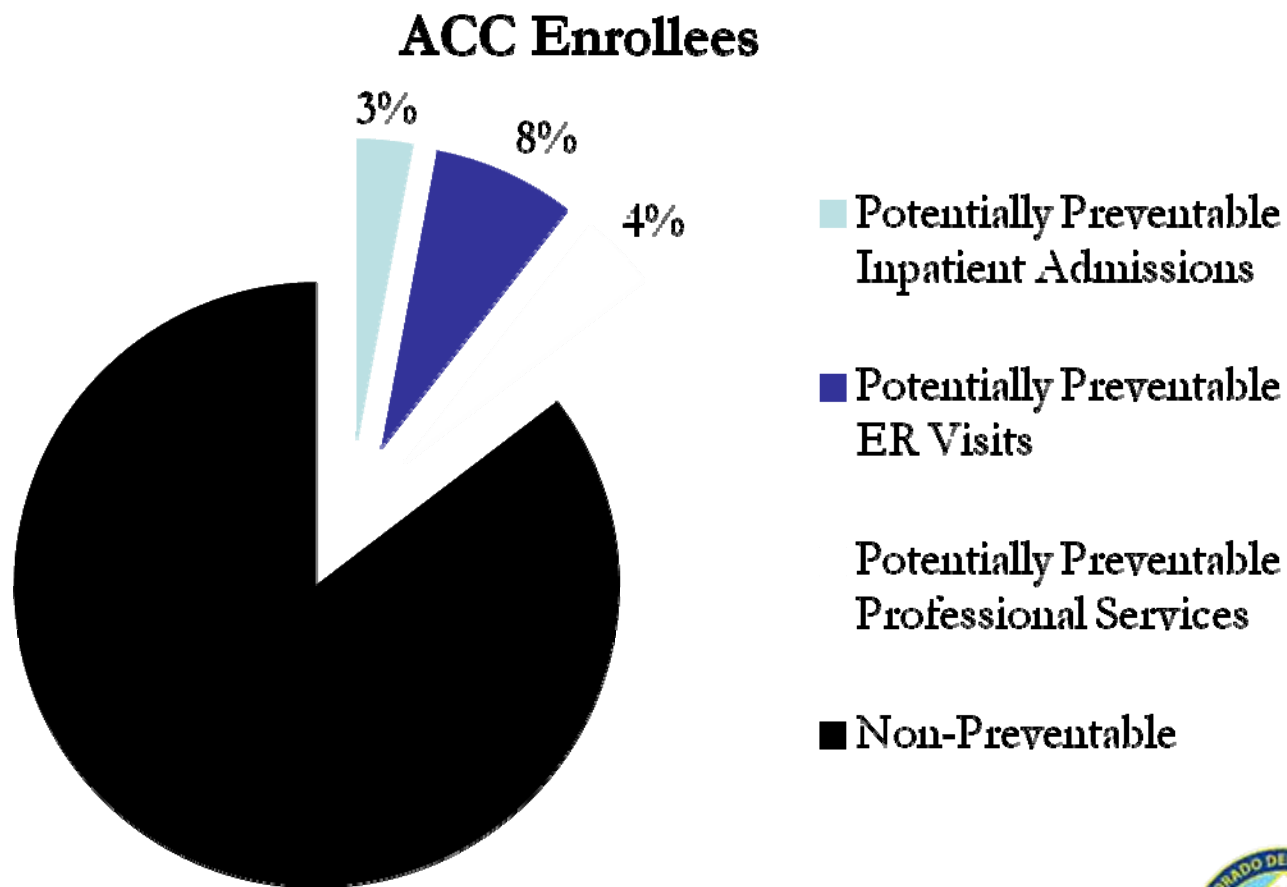

SDAC Responsibilities

- Data Repository
- Data Analytics & Reporting
- Web Portal & Access
- Accountability & Continuous Improvement

ACC DATA ANALYTICS- Opportunities

Referrals

- PCMP refers to specialists
- Referrals are not needed for:
 - Obstetrical Services
 - Dental and vision services
 - Emergency Care
 - Family Planning
 - EPSDT Screening
 - Behavioral health
 - Anesthesiology services
 - HCBS waiver services
 - Transportation
 - Hospice
- **We are currently paying all claims regardless of whether or not we receive a referral.**

ACC Advisory Committees

- **ACC Program Improvement Advisory Committee**
- **Subcommittees**
 - Payment Reform, Provider and Community Relations, Quality and Health Improvement
- **RCCO Performance Improvement Advisory Committees**

PCMP & RCCO payment

- FFS reimbursement to PCMPs for medical services
- Per Member Per Month (PMPM) payment to PCMP for medical home services
- PMPM payment to RCCO's for PCMP support and member care coordination*
- Incentive Payments

*Children's Medical Home providers do not receive the PMPM because they are already receiving the enhanced rate.

Client Selection & Enrollment

- FFS and PCPP clients
 - 1/3 Children, 2/3 adult
 - Exclude institutionalized and dual-eligible clients
- If possible, attached to provider
- Voluntary (passive enrollment)**
 - Notified by enrollment letter
 - Call Health*Colorado* to opt out
 - 303-839-2010 or 1-888-367-6557

*Adults without dependant children will be mandatorily enrolled.

Program Phases

- Initial Phase: RCCOs select small “focus communities” within their region
 - 60,000 clients
 - Increased enrollment to 123,000/budget action
- Expansion Phase: increased enrollment after attainment of budget goals beginning July 2012

April 2012 Enrollment

(estimated *)

RCCO	Enrolled
1	13,135
2	11,010
3	34,702
4	22,659
5	7,539
6	17,555
7	19,353
Total: 125,953	
(* - total enrollment figures vary daily due to eligibility and other factors)	

Potential Next Steps

- **Quality and clinical data**
- **Payment reform**
- **Health Homes**
- **Dual eligible project**
- **Program evaluation**
